All Bend All Automotive team members.

POLICY

Management of Bend All Automotive is committed to provide a safe and healthy work environment for its Team Members.

All Team Members are to be dedicated to the continuing objective of reducing the risk of injury with the belief that all accidents are preventable.

As CEO, I will ensure that every reasonable precaution is taken for the protection of our Team Members and that Team Members will receive adequate training in their specific work tasks to protect their Health and Safety. Supervisors and Managers are held accountable for the Health and Safety of Team Members under their Supervision and are responsible to ensure that machinery, equipment and all work areas are safe and that everyone works in compliance with Bend All Automotive's Health and Safety procedures.

It is up to each of us to protect his or her own Health and Safety by working in compliance with the law and by following the safe work practices and procedures established by the company.

All parties will consider Health and Safety in every activity.

Our commitment to the continual improvement of Health and Safety is an integral part of this organization.
