Bend All Automotive ULC (BAA) is a leading supplier of Automotive Components and Automation Tooling Equipment. BAA supports customers worldwide with leading technology through product design, prototyping, product validation, tool building and a flexible streamlined manufacturing process. Our expertise is not limited to standard forming techniques, but entails the utilization of synchronized manufacturing systems that provide our customers with cost effective and mistake proof solutions.

We are always seeking talented, motivated people to help us grow. We are proud of the quality and workmanship of every part we supply to our customers. Above all, we value our team members because they are the foundation of our success and key to our future.

Primary responsibilities/accountabilities:

- Read and interpret engineering drawings, blueprints, charts and tables.
- Program computer numerically controlled (CNC) machine tools
- Set up and adjust production machinery.
- Fit and assemble components and machine parts to close tolerance
- Verify dimensions of machined tools and parts using precision measuring instruments.
- Maintain, repair and calibrate precision measuring instruments.
- Maintain inspection records and complete inspection reports
- Communication, Working with others

Qualifications (education & skills required):

- 3 to 5 years of CNC machining experience; experience within automotive or automation a definite asset
- Proficient and accountable to inspect and certify tooling to specification
- Math experience used to calculate tapers, draft angles, tangencies and other geometry
- Able to routinely produce parts at tight tolerances within 0.0005 of an inch
- Strong communication and teamwork

- Ability to perform in a high-pressure environment
 - Focus and discipline; pride in work
 - OKUMA CNC EXPER would be an asset
 - 2D and 3D Toolpaths using Mastercam X-9 would be an asset
-

We look forward to meeting qualified candidates for this opportunity and encourage those who are interested to submit a resume, outlining salary expectations, through our website www.bend-all.com.

Only candidates that are suitable for this role will be interviewed. Thank you for your interest in wanting to join a strong and committed team of professionals.

Bend All is committed to promoting accessibility for Ontarians with disabilities and complying with the Accessibility for Ontarians with Disabilities Act, and makes accommodations available for applicants with disabilities in its recruitment processes. When an applicant for employment is chosen to participate in an assessment and/or the selection process, reasonable accommodations are available upon request in relation to the materials or processes to be used.
