Bend All Automotive ULC (BAA) is a leading supplier of Automotive Components and Automation Tooling Equipment. BAA supports customers worldwide with leading technology through product design, prototyping, product validation, tool building and a flexible streamlined manufacturing process. Our expertise is not limited to standard forming techniques, but entails the utilization of synchronized manufacturing systems that provide our customers with cost effective and mistake proof solutions.

#### Job Details:

- Follow defined instructions to produce parts to meet or exceed daily targets
- Ensure quality processes are followed
- Keep a clean work area through good housekeeping practices
- Participate in inventory processes
- Follow all health and safety policies and procedures

#### Required:

- Completion of Grade 12 or equivalent experience
- Strong communication skills
- Mechanical aptitude with an ability to articulate mechanical concerns and handle repetitive tasks with excellent attention to detail
- Ability to perform basic mathematical calculations
- Practical knowledge of manual measuring equipment (gauges, hand tools)
- Previous manufacturing experience is an asset
- Ability to work overtime as required – paid after 40 hours

#### To Apply:

Please send resumes to [careers@bend-all.com](mailto:careers@bend-all.com). Only qualified candidates will be contacted.

Bend All is committed to promoting accessibility for Ontarians with disabilities and complying with the Accessibility for Ontarians with Disabilities Act, and makes accommodations available for applicants with disabilities in its recruitment processes. When an applicant for employment is chosen to participate in an assessment and/or the selection process, reasonable accommodations are available upon request in relation to the materials or processes to be used.
